

WAYNE COMMUNITY FOUNDATION

Grant Application Guidelines

INTRODUCTION

The Wayne Community Foundation (WCF) was established in 1999, to create a permanent tax-exempt entity to receive and distribute funds for the benefit of the Wayne County Community. The Foundation receives, invests, and disburses funds for any charitable purpose that proves beneficial to the citizens of Wayne County. Volunteers serving on the Board of Directors from all areas of the county administer the Foundation. Individuals, families, businesses, community organizations, and others may contribute to the Foundation. The Foundation is an organization designed to assist and benefit the citizens of Wayne County. We are affiliated with South Central Iowa Community Foundation and are working hard to improve Wayne County.

Wayne Community Foundation is pleased to receive funds from County Endowment Funds to award to non-profit organizations within Wayne County.

The following guidelines are intended to help WCF, as well as the applicants. Grant Award applications must be submitted and received by 3:00pm on the second Friday in February. Requests for funds received after this deadline will not be considered by WCF.

WHO MAY APPLY

The Grant Award Program is open to Wayne County organizations holding a proper IRS Section 501(c)(3) designation or equivalent tax-exempt status. Grant monies may only be used for projects within Wayne County.

- ◆ 501(c)(3) tax-exempt status is not to be confused with your Federal ID number or State Sales Tax exemption number.
- ◆ Individual schools, churches, and volunteer fire departments may not have a separate tax-exempt certificate. They are either exempt by law or fall under blanket exemption because of their ties to a municipality.
- ◆ Only one application per 501(c)(3) or equivalent tax-exempt status will be accepted, unless Applicant falls under the exemption of a municipality or taxing entity, and carries a separate identifiable budget.
